

B3500/3 GEWE three-axle trailer for transporting construction equipment GVW 3500 kg

Product price:

4,950.40 €

Product short description:

Internal dimension (cm): **400 x 180 x 25**

Capacity: **2668 kg**

GVW Min: **2700 kg**

GVW Max: **3500 kg**

Product description:

A series of trailers intended for the transport of construction machines and very heavy materials. Stable chassis combined with a durable welded structure - guarantees many years of durability of BUILDER TEMA trailers. Solid handles for securing the load ensure the safety of transported goods. Car trailers for the transport of BUILDER mini-excavators are available with sides or railings. The ramps can be lifted upwards or hidden under the floor.
