

Neptun GN231 N13-20 Navy boat trailer for boat up to 6.1m GVW 1300 kg

Product price:

1,770.53 €

Product short description:

Internal size (cm): **412 x 204 cm**

Capacity: **981 kg**

GVW Max: **1300 kg**

Product description:

NAVY trailers are made of high-quality steel and hot-dip galvanized. This ensures that the trailer will last for many years. Equipped with independent suspension on watertight KNOTT axle for a safe and stable ride. The side rollers are fully adjustable, allowing the boat to fit well.

NAVY trailers are fitted with a winch as standard and the light bar is easily and

quickly removable.

Lightweight trailer, without inspections, for **category B**

AVAILABLE AT OUR BRANCHES IN MODRZYCA AND LOWER GROUP.
