## **Product description:**

The universal truck trailer BOSS (trailer-tow truck) equipped with 40 cm sides, is designed for transporting various types of goods. The transport surface of the trailer is made of anti-slip plywood, waterproof, equipped with 16 cargo handles. The floor can be made of galvanized steel, aluminum or a combination of a plywood board with

galvanized or aluminum sheet steel. On request, it is possible to mount a tarpaulin and a frame in the trailer. Optionally, the BOSS trailer is equipped with ramps and a winch, thanks to which it works perfectly as a tow truck.
