Product price:

2,975.91 €

Product short description:

Capacity: **1500 kg**

DMC Min: **2000 kg**

DMC Max: **2000 kg**

Product description:

Twin axles trailer for a boat up to 24" long. Equipped with V- drawbar and has good drivability. Highest quality rollers, which reduce risk of damage. Hot-dip galvanized chassis for durability and corrosions-free. Electrics are hiding and secure inside of the chassis. Waterproof bearings ensure long service life. Fully covered winch and winch bracket are easy to adjust, to adapt for the boat. Winch bracket is also equipped with additional secure wire to use while the boat is on the trailer. Easy removing of the

rear lighting beam makes easy loading and unloading the boat. Illustrations may include optional equipment.
